Official Newsletter and Tournament Schedule of Unit 194 and Unit 230 of the American Contract Bridge League

Volume 44 Number 3

September 2015

OUR UNITS NEED YOU!

ARE YOU INTERESTED IN GOVERNANCE?

To state the obvious, bridge in the Maritimes does not just happen as a matter of course. Each club that offers a game is run by one or more people who work hard on your behalf for what is often little or no financial reward.

Our tournaments are organized by local club members who volunteer their time to provide us with the best possible venues, hospitality and games. Outside of the directors, the Tournament Chair receives \$100 for incidental expenses which often does not cover gas expenses. These dedicated and hardworking folks are many and they do these jobs for the love of the game.

Naturally not everyone can be or is interested in getting involved in the governance of bridge. However, we cannot expect the same people to shoulder the load for a lifetime, either theirs or ours. Some of our players have been working hard for our units for many years and that takes its toll.

We all have an expiry date even for volunteer work. Health matters and family responsibilities are only two reasons why people can no longer offer their services.

We need people like yourself to step up and offer your services. You don't have to be able to conduct a formal meeting, or spend countless hours in any Unit capacity. You don't have to be a top player, an older player, nor need any previous governance experience to help us out. We'll need area representatives and people to act as tournament chairpersons. There are quite a few experienced people around to get advice from who are just too tired to do it again. Please help us out here.

YOU really can do it! ☺☺☺☺☺

DISTRICT DIRECTOR'S REPORT - Summer 2015 **My Kind of Town**

The Summer NABC was held at the Chicago Hilton on Michigan Ave. across from two beautiful parks, near fantastic cultural centres. All play was in one building, but there were long walks to washrooms and lighting could have been better. There were many good restaurants, bars, in walking distance or easily reachable by the EL (train). The tournament was well run, with excellent hospitality. Attendance was excellent with 13,680 tables, 5% more than expected. This was the 2nd tournament in a row that exceeded expectation.

The opening party on Friday night again did not disappoint with lots of nice food and an excellent band. The Ballroom in which it was held was spectacular.

This has been a difficult year for the ACBL, still struggling with ACBL Score and aging hardware, but one positive is ACBL Live, which gives very quick results from NABCs, Regionals and soon from Sectionals. To sign up or get to it, go to www.live.acbl.org.

At the end of this report, I have included a bridge article by Gary Brown. Gary is a fine player from Nova Scotia, who moved to Australia, to make his fame and fortune playing bridge, but mostly teaching and running clubs and bridge cruises. He wrote a beginners book which won the IBPA Book of the Year award. In addition, before he left he was editor of the Maritime Bridge Line. We hope he'll be moving back to Nova Scotia soon. He comes back to the Can-At annually, and I enjoy playing with him/being his teammate. Thank you, Gary.

I am looking for other contributors. All I ask is that it be at most one page long and that it be done in Word. Next one would be needed for my report after the Denver NABC which is in November/December.

I am also listing major results by District 1 players at the NABC. The list is at the end of this report.

Highlights of the Chicago Board of Directors Meeting

- **Membership** through the end of July stands at 168,208, the highest level since 1997. Membership Department staff are calling people to see why they didn't rejoin.

- **Regional attendance for last year** was slightly up, but average table count was down 1% (there was 1 more regional).
- **Sectional attendance** was down 4% (11 fewer tournaments) and average table count was down 2%.
- **STACs** table count was down 6% and average table count was down 19% (6 more STACs).
- **Finance:** the decrease in net assets from Operations for YTD is \$158,866, \$156K worse than budget and \$78,500 better than the same period last year. Tournament revenues have been less than expected, and recruiting fees for IT positions were not budgeted.

Strategic Planning:

- **Tournament Director:** Tournament Director University (TDU) continues to be developed. Two core programs are being developed, both including Customer service modules.
- **Field Supervisors:** 9 new ones were appointed, including Guy Fauteux for District 1. Two new Field Managers have been announced, one of whom is formerly from Montreal - Sol Weinstein. Sylvia Hardin is now head of all field operations.
- **Pianola:** This is still being worked on and will allow Units and Districts to better promote their tournaments. Full launch will be in early 2016.
- **Privacy Policy:** This has been further updated and clarified.

A Simple Expert Play

The Auction

West	North	East	South
Pass	Pass	Pass	1NT
Pass	6NT	All Pass	

Opening lead: ♥J

Playing in a Swiss Teams event, I found myself in 6NT. With 11 topers (1 spade, 3 hearts, 3 diamonds and 4 clubs) the chances for a 12th trick lie with a favourable lie in the spade suit (East holding both the ♠K and ♠Q). A second possibility is a major suit squeeze. For this to work I will need East to hold 4 hearts and 4 spades or 4 hearts and either ♠Q109 or ♠K109. I won the ♥K in dummy and led the ♠8. East offering the ♠9, I played the ♠J which lost to West's ♠K. With the lie of the cards, I now made the contract as East was indeed squeezed. The position after trick 7:

<p>♠ 6 ♥ A 6 ♦ K J 4 ♣</p> <p>♠ 5 3 ♥ 4 ♦ 7 5 ♣ 10</p> <p>♠ A 7 4 ♥ ♦ A Q 10 ♣</p>	<p>♠ Q 10 ♥ 9 7 ♦ 9 8 ♣</p>
--	---

Now, three rounds of diamonds (ending in dummy) put East under too much pressure. She had to let go of the ♠10 promoting my ♠7 into a winner. It is always satisfying making a slam on a squeeze. However, I figured it would be only for a push as the player sitting in my chair at the other table (Jim Kirby of Halifax) would certainly be in 6NT and also bring the slam home.

Comparing scores later, I announced “plus 1440” while my teammate announced “plus 100”. The lead of the ♥J was the same. I voiced my surprise: “I won the opening lead in dummy and played the ♠8. “So did he” my teammate announced “but I covered with the ♠Q.”

Nice play! The slam could no longer make.

It is amazing how right it usually is - in second seat - to play the Q from Qx (x) or K from Kx (x) in such a situation. It is a simple play - but requires an ‘expert’ to be holding the cards. Our teammate – one of the top players in our unit - was the expert holding the card. ☺☺☺

Psyching a Pass

by John Steeves

Playing with Edward Hynes several years ago, we sat down against the late and famous (possibly infamous) James 'Duff' Harper and his partner, Pradip Banerjee (also deceased).

Nobody vulnerable, as dealer, I picked up:

S AJTxx
H KT9xxx
D --
C xx

Unwilling to reverse with my modest 8-count, and fairly confident I would have another opportunity, I chose to Pass.

Banerjee also passed and Edward began the bidding with a call, I certainly didn't expect.

“TWO HEARTS!”

Of course, Duff doubled as loudly as possible, bearing in mind we were using bid boxes.

Without, much thought, I figured Redouble was a safe call. Banerjee came in with 4 Spades, passed back to me.

Rightly or wrongly, I chose to double. After a pass on my left, Edward then reached into his bag of tricks and came up with a new surprise: FIVE DIAMONDS!

Duff's subsequent red call was actually louder than the first.

After correcting to hearts, followed by two more passes, I watched as Duff brought out another booming double.

Redouble still seemed safe to me. After all, if Edward didn't hold the Heart Ace, I could blame it all on him in the post-mortem.

As I laid the dummy down, Duff started to protest. “You passed with that hand. You've got an opening hand. You psyched!”

As it turned out, Edward held

S -- H Qxxxx D Qxxxx Axx

There was nothing to the play. Eleven tricks later, we had scored our 1000 and a top board.

I'm not sure whether Duff followed through on his threat to ask that my 'psyche' be recorded. But, after the game, several people told me that he had complained directly to them. ☺☺☺☺☺

CANADIAN NATIONAL TEAMS 2015

Some Slams from the Round-Robin

by Karl Hicks

The CNTC Round=Robin was held in Montreal, May 23-26. Our team was Bill Halliday, Kathy MacNab-Halliday, Halifax, Jim Kirby, Dartmouth, Ken Eisner, Truro, Denis Murphy, Coldbrook and myself. Using screens. Hands rotated for convenience. Here are two slams.

1. N-S Vul North Dealer

	♠ K1042		(Denis)	(Karl)		
	♥ AQ1085		East	South	West	North
	♦ 102					1H

	♥ J5432		**I need an opener from you for game			
	♦ AKQ76		*** Wait til you see these puppies			
	♣ A7		**** 1 or 4 key cards			

East led a spade won in dummy. The heart finesse loses and I claim. +13 imps

2. No Vul Dlr N

	♠ KJ73		East	South	West	North

	♥ AQ		³ Tell me more ⁴ I've got 6			
	♦ 842		⁵ cue bid ⁶ cue bid			
	♣ AK87654		⁷ that's what I wanted to hear.			

Opening lead, diamond king overtaken by the ace and the club deuce returned. Win the club Queen, heart to the AK. Diamond ruff, Heart King takes the last trump. Club to the dummy and claim. Push board.

We had a great team. Never an unkind word. The opposition were tough, experienced, and pleasant throughout. Of course we all could have done better and the round of eight is doable at a future CNTC maybe even in Ontario in 2016.

We had a great trip and I highly recommend the experience to anyone. It's a chance to compete against Canada's finest players.

In addition to the competition, I was proud to be invited to speak on behalf of my good friend and my first bridge partner, Mr John Carruthers. He and Canadian superstar, Allan Graves, were being inducted into the Canadian Bridge Hall of fame.

I spoke as John's first bridge partner some 50 years ago at Mount Allison University and Joey Silver spoke as his current and most recent partner. It was a memorable event. While I went on to teaching and a practice marriage, John went to work for a year in cancer research and saved up enough to go on the bridge circuit. That year John was the first winner of the Richmond Trophy for the Canadian player winning the most master points in a year. Subsequently, he has become known and respected world-wide as a player, a coach, and a journalist.

After the presentation ceremony, John went on the following day to play in the Canadian National Seniors teams with a squad that included his lovely wife, Katie Thorpe, who is, besides being a wonderful person, a tremendous player who has represented Canada internationally. Their team made it to the finals and won the Championship by 1 imp against a fine team from British Columbia.

I'll close with two more slams that Denis and I encountered. On the first one I picked up the biggest hand that I've ever held.

3. All Vul dealer south

⁴ superaccept.

Opening lead was the Diamond Jack, Queen, Ace and diamond back. Partner drew trumps and claimed. At the other table, they got to 6 notrump which went down three. 1430 + 300 was worth 17 imps.

It was a wonderful week. Playing bridge with screens is bliss for me. It gives me an opportunity to get to know my screen-mates and realize that they are just people who love and enjoy the game as I do. Not one of my screen-mates were the least bit unfriendly or wearing their 'bridge face' which some people feel is necessary to be successful.

Another great bridge adventure with a great partner and team-mates against the best Canada has to offer. Thanks guys! 😊😊😊😊

Join Jo Ann Lynds & Kathie
Macnab
for their
2016 GRAND SLAM ADVENTURE

-  Leaving Halifax on Sunday February 14th and off to sunny Fort Lauderdale for an overnight stay at the Hampton Plantation Inn.
-  The Hampton Inn will shuttle us to the ship on Monday morning where we board the Holland American Zuiderdam for our wonderful 11 day Caribbean cruise.
-  **Ports of Call are:** *Half Moon Cay (don't forget to rent your Clam Shell for only \$16.00 and enjoy the beach and sunshine).* *Bonaire Island (Fabulous beaches and scenery);* *Curacao (Another amazing Island, and if you are game we already know where to shop and find the local beer!);* *Cartagena, Colombia (great old town and fabulous shopping);* **touring the Panama Canal and visiting Gatun Lake** *(through the locks of the canal, a must see experience);* **and Puerto Limon** *(so much to do and so little time – rainforests, spectacular flora and animal life).*
-  Your Grand Slam Adventure hosts will be inviting you to a cocktail party on board and other Adventures when on shore.
-  The Bridge Program is nothing but the best – we have wonderful multi-level clinics when at sea, and short “Chalk Talks” with Kathie & Jo Ann while Boyd & Bill check out the town.
-  Not wanting to get back to the snow too soon, we have arranged a 3 day stay in Ft. Lauderdale that includes a game of bridge at the Ft. Lauderdale Bridge Centre.
-  Jo Ann and Kathie have been doing cruises since 2000, and know the ports and know the ships! Having fun at sea is our specialty! And since we have been in every port (more than once) we know how to scoop out the best shopping, and local beer. We can find our own tours and have great lunches in town!
-  Our Bridge program is courtesy of Better Bridge. We have lots of hands on clinics with something for every level of play. Our games are ACBL sanctioned with Bill and Boyd directing and scoring. We are all on hand to make sure everyone has a partner, and of course making sure that our 16 board/2 hour games run smoothly.
-  Our on land travel agent is Melanie Furlong, she has worked closely with us since 2012 and understands what is needed for a fun and adventurous bridge cruise.
-  Looking for more information – contact either Kathie: kmacnab@eastlink.ca or Jo Ann: jlynds@eastlink.ca or Melanie Melanie@cruiseholidays.com

Winter is far too long to stay in the Maritimes – come and join the fun, and have a GRAND SLAM ADVENTURE.
