## FESTIVAL FANTASTIC

### BRIDGE WEEK AND CAN-AT SUCCESSES

Congratulations of all Maritime bridge players are certainly in order to **Leo Weniger**, Zone 1 Director of the Canadian Bridge Federation and to **Kathie MacNab**, Can-At 2000 chair and their committees for the tremendous success of the Festival of Bridge.

The Festival of Bridge was held in Halifax the last two weeks of June and consisted of Bridge Week (the Canadian Bridge Championships) held at the newly renovated Lord Nelson Hotel and Can-At 2000 which was held at the World Trade and Convention Center.

Both events were tremendous successes due in large part to the efforts of many volunteers and committee members (too numerous to name) whose meticulous efforts led to a picture perfect two weeks of competitive bridge.

Bridge Week consisted of the CNTC (Open Team Championship, the CWTC (Womens Team Championship and the COPC (Open Pairs Championship). We are particularly proud of the showing of our teams in the CNTC and CWTC. (See articles on page 2 and 7).

The popularity and reputation of the Maritimes as a venue for Canadian Championships is brought home by the fact that no less than 27 of 28 teams that qualified for the CNTC Finals came all the way to Nova Scotia to compete.

And they weren't disappointed. The hospitality, friendly competition and attention to detail by the committee led to an enjoyable bridge experience for all of the competitors regardless of their bridge results.

With only the COPC overlapping the Can-At

schedule, many of the bridge week competitors stayed to do some sight-seeing and to play in some of the Can-At events.

The impressive WTTC provided a wonderful venue for CAN-AT 2000 and the tournament ended with more than 750 tables in attendance. Once again the work of the committee (many of whom also worked on Bridge Week) was evidenced by the smiling faces and positive comments of the players.

A player survey of one of the busiest sessions showed that approximately 70% of the players were from outside Nova Scotia. This was due in part to internet contacts, the presence of the wonderful Audrey Grant and the spreading of the word by some of our greatest fans like Jerry Helms, professional bridge teacher and player who encourages his many students and partners to come to the Maritimes and play in one of North America's friendliest tournaments.

Congratulations to the many who made this undertaking a success. All things are possible when the vision is supported by dedication and hard work. We are proud of you all! 😊

### MIRAMICHI A WINNER

It comes as no surprise that the Miramichi Split Regional was a great success. Congratulations to **June Hare** and her committee for a tremendous example of Maritime hospitality.

A total of 562 tables turned out to enjoy the best of Maritime Bridge and hospitality. Any player that happened to be watching their waistline was in for a shock as the committee continued to outdo itself every night after the game. Everyone left the Miramichi with a smile on their faces. A great job, folks. 😊

# CNTC 2001 CHANGES

The conditions of contest for CNTC 2001 have changed dramatically. There are no changes in the Canadian Womens Team Championship (CWTC).

The Canadian National Team Championships (CNTC) still require club qualification. Club qualifying rounds may be held up to January 15, 2001. There will be NO Unit Final. Teams will qualify directly to the Zone Final which will be held in Moncton, March 31, April 1, 2001.

Each zone will qualify two (2) teams to the National Final (one subsidized). Prior to the National Final there will be a two and a half day round robin (open to any eligible team) that will qualify 5 teams for the Final Round - Robin. In addition, the 2000 winners automatically qualify for a total of eighteen teams.

There will also be a Flight B competition for players with less than 1000 master points.

See the article in "BRIDGE CANADA" which accompanied the September edition of the ACBL "BRIDGE BULLETIN"

## MARITIME BRIDGE WEBSITE

Mike Hartop is running an internet bridge site called [www.bridgescores.com](http://www.bridgescores.com). He has agreed to post bridge related information including items from both units. This could include schedules, results, trophy races, etc. For more information or to have something posted, call Mike at 506-384-7272 or e-mail him at [michaelh@fundy.net](mailto:michaelh@fundy.net)

## CARIBBEAN BRIDGE CRUISE

An exciting bridge cruise aboard Carnival Cruise Line's newest ship is scheduled for February 18 -25, 2001. The cruise will visit Cozumel, Mexico, Grand Cayman and Ochos Rios, Jamaica. In addition to all the regular cruise activities, there will be bridge activities for bridge players from absolute beginners to expert led by ACBL accredited teachers and directors. Cost return including flight from Halifax, transfers, meals, etc will be \$1700 - \$2000 CDN. Arrangements can be made to fly from other cities.

For information call Elayne Pink 902-492-6704 or Leo Weniger 902-425-3392 ASAP as an early deposit is required.

## BRIDGE WORKSHOP AND TEACHERS INFORMATION SEMINAR

There will be a Bridge Workshop and Teacher Information Seminar on Saturday, October 28, 2000. The workshop will begin at 10:00 am with SLAM BIDDING. This workshop will be conducted by Kathie MacNab and Jo Ann Lynds and will be based upon Audrey Grant's NoTrump series which has yet to be released by the ACBL. Learn appropriate ace-asking sequences and cue bidding to get to the right level.

At 12:30, bridge instructors from across the Maritimes are asked to gather to share information and ideas. The main topic of discussion will be initiating a 'novice standard of bidding'.

At 2:00 a duplicate style game will be held to accommodate the mornings lesson and hand records will be distributed after the game. All bridge instructors are asked to participate as consultants during the game.

There is a \$20.00 fee for the workshop and the game which are open to all players up to the rank of life master. All Maritime bridge instructors are encouraged to attend the student workshop at no cost and attend the dinner session for the ' Teachers Information Exchange '.

For more information, contact Kathie MacNab 902-443-4676

## BRIDGE WEEK 2000

The Bridge Week 2000 committee would like to thank all of the volunteers and the sponsors for their help and support. Without them the 2000 edition of the Canadian Bridge Championships would not have been the unqualified success that it was. The committee is still getting rave reviews and thanks to our workers and sponsors, we've set a standard for future bridge weeks.

## MARITIME TEAMS WIN BRONZE IN CNTC AND CWTC

Four Maritime ladies teams made the quarter finals of the CWTC. (See page 7) The team of **Liz MacDonald - Mary Moulton (anchor pair), Linda Holland - Lori Watson (played a couple of times in the past 3 years) and Adele Stewart - Phyllis Boudreau (first time partnership)** reached the semi-finals by defeating the strong COLTER team who had tied for second in the round-robin.

The team of **Eric Balkam - Mike Betts - John Stewart - Don Presse** brought home the bronze in the CNTC after winning the round-robin.

All of our players are to be congratulated on a fine performance. All of the players that I spoke to thoroughly enjoyed the competition, the competitors and the experience.

# REMEMBERING THE MIRAMICHI

by Peter Samson

Of course I'm referring to the Miramichi Split Regional which was held August 21 - 27 at the Canadian Legion. I am unable to boast that I was a prestigious T-shirt winner but fortunately I had enough money to buy one and nobody will know the difference anyway.

The reason I was able to purchase the T-shirt was that the inherent honesty of bridge players prevailed. Prior to the start of Saturday's game while I was paying my share of the entry to my partner, Ron Doucet, my wallet disappeared.

Upon realizing that I had no wallet, I went out and checked my car and I became convinced that I had left it back in Bathurst. It was a very pleasant surprise when Karl Hicks presented me with my wallet about thirty minutes later. A heartfelt thank you to the honest individual who returned my wallet to the director.

I have other memories that I would like to share with you, particularly my laminated victory slip in the Thursday KOs. Thanks to partners Leona Cooper, Barbara Rees, and Lorna Stock, we managed to claim victory over my self-proclaimed guru, Bob Baker, and the Soucy team.

Bob, who is my friend and local bridge partner, has been known to be critical of his partners in the past, so, in future, if my bidding or play comes under his scrutiny, I can produce my laminated victory slip and respond, "Remember the Miramichi".

We met a number of nice people during the competition and to help remember their names I use recognition symbols which I would like to present to you:

Sweet Caroline	-	Caroline Dempsey
Fred the Hat	-	Everyone knows Fred
The White Fox	-	Joe Currie
Mr. Impeccable	-	Bryan Rapson
Mr Cool	-	Gerry Soucy
Mr and Mrs Bridge	-	Mike and Ann Hartop
The Big Kahuna #1	-	Karl Hicks
The Big Kahuna #2	-	Rob McCosh

I have another 'thank you' to all who play club and tournament bridge. Over 30 years ago my decision to stop playing was made and accepted. Thanks to our Unit President, Bob Losier, I was reintroduced to the game and with a great partner like Bob Baker I realized how easy it was to readjust. Because many of you continued playing, the enjoyable competition that I remembered still existed and I hope will continue to exist at this Atlantic level for many years to come. Great players, great organizers, and great new friends.

And finally I must say that I have received many remarks (mostly full of irony) from fellow bridge players and I will quote a few:

Boyd Wells - " You play so badly that you should get a bonus of 100 for every contract you make".

H L (Babe) Stewart - " I wouldn't lower my standards to play at your level".

Ron Duplisea - " Playing with you is like playing with Bozo the Clown".
